2. DIVIDEND

- Not Applicable-

3. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR, EDUCATION AND PROTECTION FUND

The provisions of Section 125(2) of the Companies Act, 2013 do not apply as the Company is a Section 25 Company (Section 8 Company, Companies Act 2013).

4. BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR AND REVIEW OF ITS PROGRAMME INITIATIVES:

Your Directors are optimistic about the Section 25 (8) Company's progress during the year in spite of the Covid pandemic and its many lockdowns. As many as five programme initiatives are being implemented of which four are with a grant from iiINTERest of Denmark and the other on ICT enabled training with a CSR grant from EMBEE Software.

The iiINTERest funded four initiatives are 'Addressing Food and Livelihood Security through participation of the food insecure poor in the sustainable institutions and processes of Local Self Government', 'After School - A Local Self Government Approach to Institutionalise Skill building at neighbourhood schools aimed at alleviating poverty in rural West Bengal', 'Strengthening Civil Society in support of revitalisation of social and environmental sustainable local crafts and economies in rural West Bengal, and 'A Local Self Governance role for a contextually more appropriate education for rural youth to alleviate rural poverty'.

The fourth and final phase of the first initiative, Food Security, targets the districts of Purulia and Dakshin Dinajpur in West Bengal, Tonto Block of West Singhbhum district in Jharkhand and in Mayurbanj District of Odisha, Kusmi Block and the Simlipal Bio-Reserve area of Jashipur Block. The projects are well in place and the targeted Block and District authorities have begun to take ownership of the programmes and are working to replicate the best practices of the core component of the programmes beyond the targeted areas by their own.

The first phase of the second initiative titled 'After School' programme for rural youth, was one of the most innovative programmes of AHEAD Initiatives for the rural youths with low educational attainment level. This aimed to train them and expose them towards a supplementary livelihood. "After School" is a late afternoon, short multi-session modular skilling opportunity for all ages in their neighbourhood school premises so that they can participate without disrupting their multi-pronged livelihood struggle.

A third initiative has been on Handicrafts. Though much smaller in scale we hope very soon this will create a significant impact in the Tussar silk industry at Tantipara Gram Panchayat in Rajnagar Block of Birbhum district in West Bengal. Tussar weaving is declining with youth migrating to cities and not taking up their father's craft. The initiative is enhancing the value of Tussar products through innovative design skills and with the unique use of natural dyes that is environment-friendly. We have already begun to engage local youths and create supplementary livelihoods for them and the young women.

The Fourth continuing initiative has been on Rural School. AHEAD is countering the present urban-centric syllabus by creating contextually appropriate educational content which are more engaging and illuminating. The intervention aims to demonstrate the capacity building

necessary for stakeholders by piloting an initiative to provide local self-government assisted Activity Based Learning (ABL) inputs into the formal curriculum and syllabus of 150 schools in 15 Gram Panchayats (GPs) of 8 Blocks in 3 Districts in West Bengal, India. The intervention also aims to provide supplementary curriculum after school hours in the areas of nutrition, health, livelihood security, rural life skills and participation in democratic processes of self-governance to the rural school children. Education authorities at Block as well as District levels have been supporting the initiatives and have agreed to collaborate in implementing the initiative.

The CSR programme is in its third phase and it continues to train select teachers in the use of computers and internet to create customised and tailored audio-visual lesson plans. The 20 teachers in each of the three programme areas – Kalchini (Alipurduar), Baghmundi (Purulia) and Dakshin Dinajpur have been donated laptops, projectors, smart phones with cameras and sound box for use in their schools as well as in neighbouring schools. Intensive workshops are held by senior education and audio-visual experts in each of the areas. The teachers have been producing educational videos, relevant to their areas and students, and uploading on dedicated YouTube channels. These videos are used in lesson plans in classrooms.

Though all the programs have suffered due to Covid pandemic and its subsequent lockdown, we are pleased to state that we have steered the program quite successfully to meet the targets. We believe that well within the project period we would be making good the lost time and opportunities.

We have updated the AHEAD Initiatives website (www.aheadinitiatives.in) with a detailed Profile cum Review of the Company's various programmes and initiatives since inception along with annual status reports of different programmes for your perusal and public viewing. Reports in the local language embellished with photographs are available for each of the Gram Panchayats we collaborate with in the three states of Jharkhand, Odisha and West Bengal.
